

# R in Data Science for Beginners

R is a powerful language for data analysis, data visualisation, machine learning, and statistics.

Learn the fundamentals of how to program in R syntax and how to use it to analyse, visualise and manipulate data.

After this digital training, **you will be ready to undertake your first very own data analysis.**

**When?** 14 June 2021 to 25 June 2021  
Every day from 12:00 pm to 1:30 pm

**Where?** Digital Training

**Who?** Jaruwan Mesit, Project Manager
