

JOIN OUR FREE TRAINING ON 5G FOR BUSINESSES

WHAT?

The *Service des Médias et des Communications* is looking for **12-24 business representatives** interested in joining a **FREE TRAINING PLAN (12h)** that will provide an introduction to 5G and the business opportunities associated with it.

WHY?

This training plan is an initiative of the Government of Luxembourg to support the **successful rollout of 5G** in the country.

It is a short training allowing us to identify improvement areas before deploying the training at a larger scale.

WHEN?

The training will start on 15 September 2021.
