

The University of Luxembourg Competence Centre is the lifelong training and continuing professional education centre based in Esch-sur-Alzette. Our purpose is to develop and organize high quality training programs that meet the business needs and requirements of the Luxembourgish market while using innovative teaching tools and technologies. We are working in close relationship with the University of Luxembourg and key actors in a broad range of activities.

The Competence Centre is looking for a:

**Digital Learning Designer**  
**Fixed-term contract – 12 months – full time**

to join its “Digital Learning” team and support the development of its activities.

**Your main responsibilities include:**

- Producing high quality digital learning content and rich learning activities/experiences across a broad range of subjects.
- Creating instructionally sound and clear digital learning multimedia material including video, sound, animation and infographics.
- Selecting delivery approaches that are appropriate to the level, discipline, and context of the learner in order to meet the expected learning outcomes.
- Working alongside team members with stakeholders to design efficient learning models and courses.

**Your ideal profile:**

- Bachelor’s degree (or equivalent) and/or proven successful prior experience of at least 2 years in graphic or instructional design.
- Expert knowledge of the Adobe Creative Cloud (Photoshop, Premiere, Illustrator) and/or Digital Learning authoring tools (Articulate Suite, Adobe Captivate, iSpring Suite).
- Prior experience of web technologies (HTML/CSS) and administering online content in Learning Management Systems (LMS) or Content Management Systems (CMS) will be considered an asset.
- Ability to transform informational content into structured, visual, engaging digital learning activities.
- A strong understanding of digital pedagogies and adult learning theory will be considered an asset.
- Excellent organisational skills, ability to handle and prioritise multiple tasks.
- Reliable, autonomous while being a team player and able to demonstrate diplomacy and tact.
- Excellent oral and written communication skills in French and English, comfortable with conducting meetings.
